TechNext | cotton central™

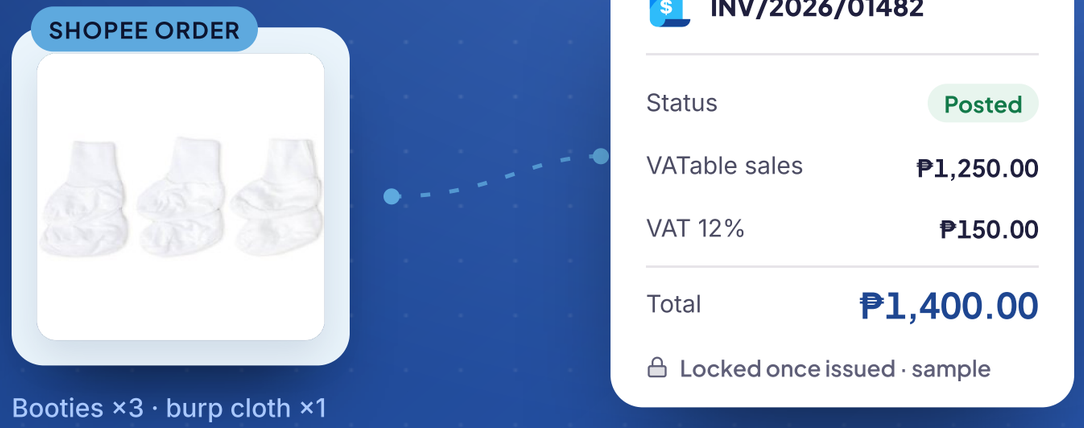

for jenica siy · cotton central, inc.

Every order, an e-invoice.

From five shops to one Odoo, issued and corrected the way the BIR's e-invoicing rules expect.

what we heard

Two words in your booking: “Generating e-invoices.”

your own products, from cottoncentral.com

Family-run · Manresa, Quezon City · five shops · BIR registration seal on your site

1. Many small orders, five shops
2. Online sellers are a listed group
3. Returns become credit notes
4. Payouts arrive net of fees

✓ From cottoncentral.com (checked 26 Oct 2026) and your booking · the four guesses are ours, to confirm with you

the rules in plain words

From 31 December 2026, covered sellers e-invoice.

66 days to 31 Dec 2026

RR 26-2025
sets the deadline

RMC 98-2026
22 Sep 2026 · the working rules

Permit to Issue
before your first e-invoice

31 Dec 2026
compliant e-invoices from here

EIS Certification
within 6 months of the PTI

31 Dec 2026. From this date, covered taxpayers issue compliant e-invoices.

Who it covers:

- E-commerce or internet sellers where you sell
- Large Taxpayers Service
- Large taxpayers (RA 11976)
- CAS or CBA users

Micro taxpayers: exempt

Your accountant or RDO confirms which group you are in. We don't guess it.

RR 26-2025 · RMC 98-2026 · general guidance, not tax advice: confirm with your accountant or the BIR

in odoo · the orders

Five shops, one set of books.

7 invoices today — Total **₱8,459.00**

How orders get into Odoo. Your web shop can run on Odoo eCommerce, or send orders over. Marketplaces come in through a connector or a daily import. We test which works for each channel.

✓ Illustrative · sample orders, customers and amounts, not Cotton Central's

in odoo · one invoice

Issue it once. Correct it with a credit note.

1. **Draft**
2. **Confirm**
3. **Return**
4. **Credit note**

A credit note lowers the amount and points back to the original invoice.

Try to edit the posted invoice

straight talk

What Odoo does, what we check.

What is needed	Odoo 20, standard	TechNext sets up
Invoices and credit notes for BIR	✓	✓ layouts and series checked
Books of accounts (CAS or CBA)	✓	✓
BIR Form 2307 on supplier bills	✓	—
SLSP sales and purchase lists	✓	—
Quarterly VAT summary (2550Q)	✓	—
Orders from your five shops	—	✓ connector or import
Credit-note and manual-invoice flows	—	✓
Sample invoices for your Permit to Issue	—	✓
⚠ **Connection to the BIR's EIS**	Not built in	Assessed with you, quoted separately

No software is "BIR-accredited". The BIR has not accredited or endorsed any software or e-invoicing provider; the permit is issued to your business for the system you register.

TechNext is an Odoo Ready Partner. We are not affiliated with, accredited by or acting for the BIR or any government agency, and we do not file or register on your behalf: your PTI is applied for under your TIN.

for our call

Eight questions for today.

0 answered · **0** to follow up

Copy follow-ups

COVERAGE

1. Has your accountant or RDO said whether e-invoicing covers you, and from when?
2. Have you applied for a Permit to Issue, or registered a CAS or CBA before?

INVOICING TODAY

3. How do you issue invoices now: a system, a spreadsheet, or printed booklets?
4. Roughly how many orders a month, and how many from each channel?

CHANNELS

5. What runs cottoncentral.com's shop today, and who looks after it?
6. For Shopee, Lazada, edamama and TikTok: who invoices the buyer, you or the platform?

ODOO AND TIMING

7. Do you use Odoo or any accounting software today?
8. Any date you are working towards besides 31 December?
