TechNext

for coaching and training businesses

You run the sessions. We run the rest.

Workshops, certification cohorts, online events and one-to-one coaching all sell the same way. We advise first, then deliver the website, registrations, follow-ups and marketing as one system.

what we deliver

Four parts, one system.

01

Website and event pages

A fast site that says what you do, with a page for every programme and every date.

- Event and cohort pages
- Lead and enquiry forms
- SEO and AI search basics

02

Registrations and contacts

Odoo plugged in behind the site: every sign-up, payment and enquiry lands on one contact.

- Event registration and tickets
- Quotes for corporate groups
- Follow-up emails

03

Marketing

Steady content with a plan behind it, in your own brand.

- Event posters and social posts
- Short videos from your sessions
- A brand book you own

04

An AI assistant

Answers questions at any hour, from your approved pages only.

- Which programme fits
- Dates and what is still open
- Hands over to you when needed

who we do this for

We already run this for a Singapore coaching group.
