In the session

Also new

Sales dashboard NEW

Performance and quick filters at the top of the quotations and orders lists.

► Move 1

Editable margins, periodic pricing NEW

Edit a line's margin to recompute its price; pricelist rules for set dates or days of the week.

► Move 3

Lazada and TikTok NEW

Orders, delivery slips and stock sync with both marketplaces, next to Shopee (also available from Odoo 19).

► Move 6

Product images on orders NEW

Product pictures on sales orders and their PDFs, and numbered order lines on the form, PDF and portal.

Templates and sections NEW

Pick a template as the quote opens; save sections as templates, with subsections and Hide Price options.

► Move 2

Fixed prepayments NEW

Ask for a fixed deposit amount instead of a percentage; the portal page is redesigned.

► Move 4

Commissions on paid amounts NEW

Plans based on the amount paid, and managers' or split commissions rolled up from the team.

► Move 7

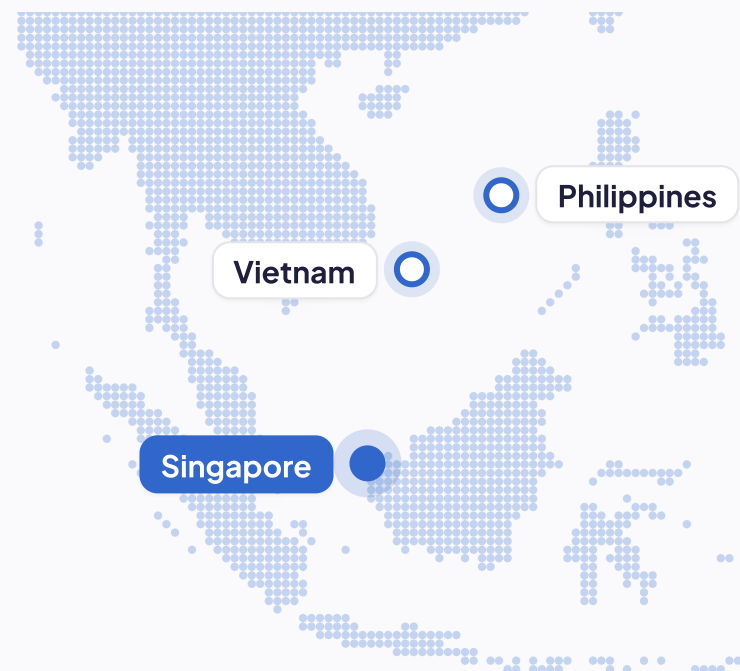

Lines without a product NEW

Order lines can be a description only; the Mandatory Product setting enforces a product where you need one.
