leads today

Leads in five places, or one pipeline.

Today, by hand

inboxes, phones, spreadsheets

by hand
Website enquiries
in a shared inbox, first come first served

by hand
Chats on one phone
gone when that person is away

by hand
Cards from an event
in a drawer, waiting to be typed

by hand
A pipeline spreadsheet
updated on Fridays, if at all

by hand
Follow-ups from memory
until someone forgets one

by hand
"Where are we on this?"
asked in every sales meeting

new in odoo 20

What changed in CRM, and where you saw it.

All | In the session | Also new

Lead distribution NEW

Each member is always in rotation, in rotation with a limit, or out of rotation.

▸ Move 3

Lead Sourcing with Dun & Bradstreet NEW

Generate suggests more ways to find leads, and searches Dun & Bradstreet's database instead of Clearbit.

▸ Move 2

Pipeline switcher NEW

A dropdown beside the pipeline switches between the sales teams' pipelines.

▸ Move 2

Activities for a person or a role NEW

Assign an activity to someone or to a role, from a clearer Schedule Activity window.

▸ Move 4

Mail plugins NEW

From Gmail or Outlook, find the contact and log the email in its chatter.

▸ Move 1

Upsells from a lead NEW

See a customer's subscriptions from the lead and start upsell or renewal quotes linked to it (needs Subscriptions).

Company identifiers NEW

DUNS numbers and country company IDs on contacts, each checked against its type.

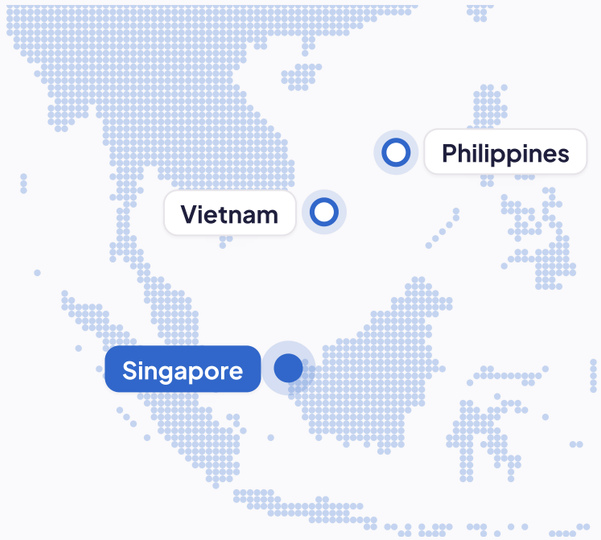

Contacts before addresses CHANGED

Address details are hidden on leads, so the team creates a proper contact instead.

From Odoo's Odoo 20 release notes. We test what you use on a copy of your database before an upgrade.

where we work

One pipeline, set up for each country.

Singapore

Companies identified the way ACRA does.

UEN on companies and contacts
a field added by the Singapore localisation

Lead Sourcing by country
search Singapore companies by industry and size

PayNow on the invoice that follows
once the deal is won and invoiced in Accounting

Philippines

Names and IDs as BIR expects them.

First, middle and last names
contact fields from the Philippine localisation

Entity type on every contact
individuals and companies told apart for BIR reports

A sales team for Taguig
its own pipeline, email alias, team leader and target

Vietnam

A team of its own, the same pipeline view.

A sales team for Ho Chi Minh City
its own pipeline, email alias, team leader and target

Lead Sourcing by country
search Vietnamese companies by industry and size

VietQR on the invoice that follows
once the deal is won and invoiced in Accounting
