CE Casa Escondida Anilao

LIVE

Dive resort · Anilao, Philippines

Website | Leads & booking | SEO & analytics | Social & video | Odoo | AI chatbot | Showcase & decks

- ✓ Resort website rebuilt on its own domain: rooms, diving, location, gallery, a blog and an English/Chinese toggle
- ✓ A Book Now page with a quotation-request form
- ✓ GA4, Tag Manager and Search Console, with monthly Search Console reports
- ✓ A social media library of image posts, video posts and reels for five channels
- ✓ Marketing showcase and market-research brief; an Odoo proposal microsite
- ✓ An Odoo ERP rollout, starting with accounting (in progress)

Casa Escondida Anilao

From a digital audit to a live website, a booking page, a social media library and an Odoo rollout.

- A digital presence audit and a marketing proposal
- The website rebuilt on the resort's own domain, with a blog and an English/Chinese toggle
- GA4, Tag Manager and Search Console, with monthly Search Console reports
- A marketing showcase with market research, and an Odoo proposal microsite
- A client deck on the work delivered
- A Book Now page with quotation requests; the Odoo rollout starts with accounting

client story · coaching & wellness, singapore

The TRE™ network: one client group, many brands.

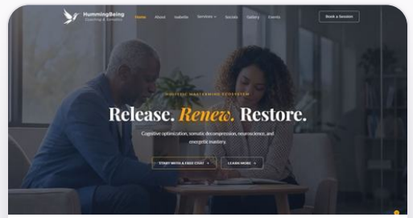

BHD Asia, HummingBeing, TRE™ in Singapore and a 2027 world conference, with partner work in Romania.

- bhdasia.com rebuilt on the client's own domain
- hummingbeing.com rebuilt, with event and certification pages
- A conference proposal, an event site prototype and an event showcase for Bali 2027
- Webinar clip packs with subtitles, and an Odoo events webshop demo
- The TRE™ in Singapore community site; every form now emails the client; an Odoo proposal

nivellipso® and HDH AG

A Swiss orthodontic brand and its parent group: the production website, price lists, a chatbot, an app prototype and a group website concept.

- A group website concept and a social media library for HDH AG; the VISIBAL app prototype
- nivellipso.com in production, maintained by TechNext
- 2026 price lists across the site, documents and chatbot
- Audit fixes, webshop imagery shipped, and an SEO, GEO and AEO audit with a monthly report
- A four-track plan with HDH AG: an AI ordering assistant, email and Odoo readiness

JR-Tech Solution

A website rebuild, a marketing showcase and an Odoo proposal that grew into a full implementation proposal.

- The website rebuilt, with the product catalogue, a quote request and a chatbot
- A marketing showcase with market research, and an Odoo proposal microsite
- A growth-roadmap pitch deck
- A quotation builder, the implementation proposal and a SQL Account to Odoo migration brief

client story · travel agency, philippines

Immaculate Connections

A Cebu travel agency: a redesign with tour packages and instant quotations, a marketing proposal, an Odoo Accounting proposal and an admin dashboard mockup.

- The redesign starts: 15 tour packages with detail pages
- A site audit, a 26-page marketing proposal and an Odoo Accounting proposal
- An inquiry-to-payment flowchart deck
- An implementation proposal for the website and Odoo accounting support
- An admin dashboard mockup for packages, departures and transport

enterprise

Our largest work is under NDA.

Some of our enterprise engagements can't be named in a deck. We're glad to walk through them on a call.
