We already run this for a Singapore coaching group.

One founder, three brands: two coaching businesses and a practitioner community.

- One events list, the same on three websites
- Certification cohorts and guest-facilitator events
- Posters, social posts, site assistants and Odoo quotes and tickets

Illustrative. The client is not named.

TechNext

Let's map how your programmes run.

1. A 30-minute discovery call
2. A written recommendation and quotation (Odoo Discovery)
3. Set-up, training and support from the same team
