a proposal for our first meeting

Cast for Honda. Invoiced for the BIR.

A phased Odoo proposal: BIR e-invoicing first, then traceability and the plant, then AI and a B2B presence.

TAX CODE SEC. 264(A)

No proper invoice issued

₱1,000 – ₱50,000

fine, **and** imprisonment of 2 to 4 years

For failing or refusing to issue an invoice. RR 11-2025 applies it to e-invoicing.

TAX CODE SEC. 264-A

Sales data not sent to the BIR

₱10,000 a day

or 1/10 of 1% of annual net income a day, if higher · **over 180 days in a year: permanent closure**

Applies once the BIR switches on electronic sales reporting (not started yet).

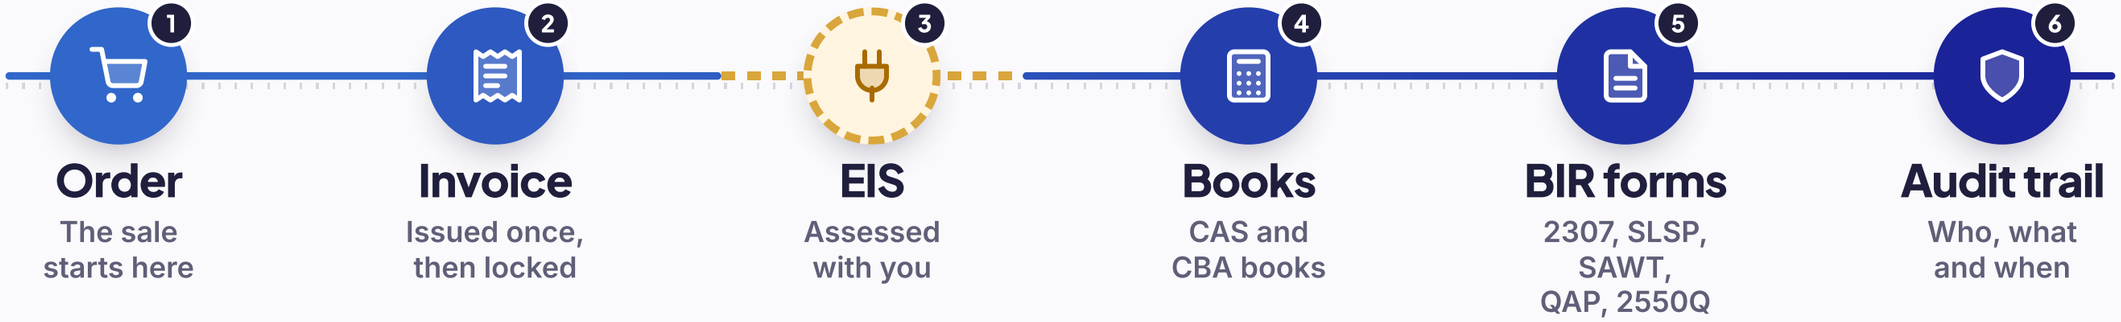

The BIR has not published a separate penalty for the 31 December date itself, and the Commissioner can still extend it.

Your accountant or RDO confirms what applies. TechNext is not affiliated with the BIR.
